Volume 1, Issue 3, May, 2008

Chairman's Message

DongFeng Liu, MD, PhD, Chair
Min Ding, MD, PhD, Vice Chair

Dear HUM78 friends:

Over the past three weeks, we have witnessed an unprecedented human tragedy from the 8.0 magnitude earthquake that ravaged Sichuan province on May 12, 2008. While mourning tens of thousands who have died, Chinese people all over the world are acting to help by donating money, foods, clothes, and other life-saving materials. Some went to the severely damaged yet still dangerous counties or villages as voluntary rescuers. My dear friends please join them to mourn the dead, pray for the survivors, and most importantly help in whatever the way you can. As the Chair and co-chair of our North American HMU 78 Alumni, we sincerely appreciate your generosity and support. This is a time of caring, sharing, and comforting. Please give through the following reputable organizations:

INSIDE THIS ISSUE

1 Chair's Message.

- 2 Bylaws (part 1).
- 3 Updates of Sept. Reunion in Zhengzhou, and Memory Book
- 4 News and Highlights.
- 5 Upcoming Events.
- 6 Kid's Corner.
- 7 Henan International Biomedical Science Symposium

多难兴邦 中国加油

2008年

谁也不曾料到，这是如此艰难的一年。

2008，我们热切期待的阳光和欢笑，
却不料被一路风暴阻隔。

2月肆虐的雪灾，冻裂了中国大地；

3月的西藏骚乱，烧伤了美丽的圣地；

4月的奥运火炬全球传递受阻，刺伤了中国人向世界
张开的双臂；

善变的5月，胶济铁路火车相撞，撞碎了多少旅人的
梦；突然传遍全国的儿童手足口病，令全国父母心
头纠结；震动传及东南亚的四川大地震，撼及整个

中国的灵魂.....

然而，中国在低头抱怨吗？

没有，中国挺起了他的脊梁！

Bylaws (Part 1)

North American Henan Medical University 1978 Alumni Association

河南医科大学1978级北美校友协会 (暂定)

ARTICLE 1: NAME

The name of this organization shall be **North American Henan Medical University 1978 Alumni Association "NAHMU78AA or simply HMU78"** or **河南医科大学1978级北美校友协会** in Chinese, hereafter referred to as "the Association".

ARTICLE 2: CORPORATION AND PURPOSES

The Association is an independent, nonprofit, and voluntary organization of 1983 graduate alumni (1978 to 1983) of Henan Medical University, exclusively for cultural, educational, scientific and charitable purposes.

ARTICLE 3: MISSIONS

The primary missions of The Association are:

- To network the world-wide alumni of HMU78 graduates.
- To strives to advance communication and friendship among its members and to enrich their lives and culture by organizing activities related to the common culture or interest.
- To promote scientific and technological cooperation and exchange among HUM78 classmates
- To encourage advancement of scientific and technological knowledge, and improve the qualifications and occupational opportunities of its members;
- To facilitate professional contact among its members, and to establish a spirit of fraternity among its members.

ARTICLE 4: MEMBERSHIP

SECTION 1. Qualifications of Members. The membership of The Association shall consist of 78's classmates of Henan Medical University residing primarily, but not exclusively, in Northern American. Membership in The Association shall be open to any graduates of Henan Medical University. All members of the association are based on a voluntary participation.

SECTION 2. Membership Fees. The fees for the membership shall be determined by the Council upon its consideration of the recommendations of the Finance Committee. Members shall have the general right to vote regarding overall affairs of The Association, including changes to its bylaws, and articles of the incorporation, and to vote for or serve as, officers of the society.

ARTICLE 5: COUNCIL

SECTION 1. Powers. The property, business, and affairs of The Association shall be managed and controlled by the Council and the Council shall exercise all of the powers of The Association.

SECTION 2. Number. The Council shall consist of at least seven (7) members, which shall be those persons holding the following positions in The Association: Chair, Vice-Chair, Treasurer, the Immediate Past Treasurer, and 3 Councilors. The number of members of the Council may be increased or decreased from time to time depending on the need of The Association.

SECTION 3. Term of Office. The Chair and vice-Chair shall be nominated and approved by the previous Council and by members of The Association. Other members of the Council shall hold office until his/her successor has been appointed by the Chair and vice-Chair. Each member of the Council shall hold office for a term of 3 years. The Chair should be nominated from one of the council members including the vice-Chair. A council member may serve two full terms of different officers, either consecutively or discontinuously.

SECTION 4. Finance Committee. The Finance Committee shall consist of the Treasurer and the Immediate Past Treasurer appointed by the Council. The Finance Committee shall be responsible for (i) collecting membership fees, (ii) maintaining an accurate list of account (iii) preparing and submitting to the Council an annual recommendation for the amount of membership dues, (iv) monitoring the finances of The Association, and (v) advising the Council on matters of raising revenue and fiscal policy. As a key person of the Finance Committee, the Treasurer shall present a financial report annually.

SECTION 5. Other Committees. The Association shall organize various subcommittees to conduct the activity of the society. The head of the subcommittees should be appointed by the Chair, based on the recommendation by the council. The terms of subcommittee Head shall be determined at the willingness of the individuals, or at the discretion of the Chair or the Council.

UPDATES:

1. 河南医学院 (郑州大学医学院) 七八级国际学术研讨会入学三十年毕业二十五周年同学大聚会:聚会时间定于九月十二日至十四日 (十二日·周五 : 会议报到及召开各类学术会议 ; 十三日·周六 : 年级联谊会 ; 十四日·周日 : 小班活动 , 会议结束。会议地点 : 黄河饭店 / 嵩山饭店 , 郑州大学医学院 , 郑州大学新校区。
2. 七八级北美同学会希望在北美的每位同学都踊跃参与。到目前为止 , 大约有20位北美和一位英国的七八级同学准备回郑州参加聚会。我们已经组成了一个回国学术报告团并拟定了详细的报告内容。准备分别在郑州和洛阳举行学术报告和座谈。
3. Memory book has been finalized by Ding Min, Zhang Min and Chunyuan. Right now, Weiping is working with the professionals in China. The final editing and proofreading are in progress.

IRIS, blooming in May

UPCOMING EVENTS:

Summer is coming soon. This year our summer camp is going to be in Finger Lake area, New York, between 07/18/08 to 07/20/08. The camping site is *Cayuga lake state park, one of top 100 campground in USA* <http://nysparks.state.ny.us/parks/info.asp?parkID=9>

Please join us for a lot of fun! Dongfeng and Ding Min already booked several spots in the park. So far, there are about 15 families planning to come, including a family of HMU77. Please contact Liu Dongfeng or Ding Min or He Hua if interested

FOR 河南医学院七八级入学三十年毕业二十五周年同学大聚会. The organizing committee in Zhengzhou has set up a website as a platform to exchange information and ideas among HMU78 classmates. Please visit <http://blog.sina.com.cn/hem7830n> for more information and communication.

NEWS AND HIGHLIGHTS:

1. **Ding Min** and **Yuan Yukun** attended the 47th Society of Toxicology Annual Meeting in Seattle, WA, and Ding Min visited Deng Feng and his family in Vancouver in March, 2008.
2. Jiao Aiping attended a scientific meeting in Toronto in May, and received warm welcome from our classmates in Canada.

3. Our classmates **Zheng Zikai** and **Deng Chunling** have moved from Maryland to Massachusetts.

Their new address:

Deng, Chunling 邓春玲 & 郑子楷
12 Arrowhead Lane
Westborough, MA 01581 USA
Tel: 508-329-1237 (H)

KIDS' CORNER

a) Talent Show – Logo Design

Amy Su, the beautiful and talented daughter of Su Bin and Xiaoli, has designed several samples for our logo. Here is one of them:

*Isn't that cute and artistic?
Good job, Amy!
Thank you very much!*

b) CONGRATULATIONS FOR THE SUCCESS OF OUR NEXT GENERATION!!

- Zhang Min's son has been accepted to Mayo Clinic for combined MD/PhD program.
- Ma Yuehong's daughter graduated from Yale University with Bachelor Degree of Science with Honors this summer and is going to attend Combined MD/PhD degree training at Baylor College of Medicine (Houston, Texas) starting from August.
- Ding Min's son has been accepted to Ohio State Univ. Medical School.
- Zhang Xin's daughter is going to Art Institute in Chicago this fall and then She also has plan transferring to Art Center College of Design in Pasadena, California.
- Wang Hong's son is going to Toronto University this fall.

Exchange, Promotion and Friendship

快速发展光明未来的生物医学科学

Part I

Moderators: Qiu, Chunyuan, MD, MS, MPH; He, Hua, MD, PhD. 主持人: 邱春元, 何华

Topics and Speakers 讲演题目和讲演人

- Can We Win the Battle against Cancer? The Molecular Basis of Cancer Prevention. 肿瘤预防的分子生物学基础---
我们能战胜肿瘤吗？
 - **Dong, Zigang, MD, PhD.**
- The Science and Fiction of Anti-tumor Food Therapy
抗肿瘤食品疗法—科学与幻想
 - **Ding, Min, MD, PhD**
- Nanotechnology in Biomedicine: Present and Future
纳米技术在生物医学中的应用--现状与将来
 - **Huang, Qinheng, MD, PhD**
- Drug Development in China: Challenges and Opportunities
中国的医药发展：挑战与机遇
 - **Wang, Zhaiqi, MD, PhD**

Part II

Moderators: **Ding, Min, MD, Ph.D; Deng, Feng, MD.**

主持人: 丁敏, 邓峰

Topics and Speakers 讲演题目和讲演人

- Your warm but aging heart: Can you keep it beating forever?
心脏起搏器和除颤器在美国的使用现状
 - **Han, Xinqiang, MD, PhD, FACC**

- An Introduction to Immunohistochemistry and Molecular Pathology in Tumor Diagnosis 免疫组化和分子病理学在肿瘤诊断中的应用
 - **Liu, Dongfeng, MD, PhD**

- Make Your Work Known: How to Prepare and Submit Your Manuscripts to an English Journal and How to Respond to Reviewers' Comments
英文学术论文的写作技巧以及如何应答审稿人的评论
 - **Yuan, Yukun, MD, PhD**

- The Complex Triangle Relationship among Physicians, Patients and Insurance Companies in US
美国医生, 患者, 保险公司的复杂三角关系
 - **Wu, Man, MD**

- US Health Care System: a 2.1 Trillion Industry
美国的医疗卫生体系: 一个\$2.1兆亿的实业领域
 - **Qiu, Chunyuan, MD, MS and MPH**
